**Professional Moving Services**

In a developing country such as Kyrgyzstan, local shipping experience is vital. To perform at world standards, a thorough knowledge of international business practices is essential. The ARI team, comprising both international and expatriates, has been providing services in Kyrgyzstan for several years and will meet your logistics requirements with professional services at international standards.

We import and export small and large shipments to and from any worldwide location, door to door. By road, rail, sea or air, we deliver! If you want to ship with confidence, ship with ARI Cargo. Our mission is to exceed your expectations for service and quality!

ARI Cargo is committed to total customer satisfaction every shipment every day.

# Our services include:

## **Air Freight:**

- Door-to-door delivery.
- Packing & crating.
- Storage & warehousing.
- Custom clearance.

## **Surface Freight:**

- Container transport- Rail /Sea.
- Trucking.
- Warehousing & distribution.
- Custom brokerage.

## **Project Logistics:**

We tailor surface and airfreight programs based on your specified criteria. Using our knowledge and networks we will customize our services to match any of your requirements.

## **Consolidation:**

LTL- Less Than Truck Load, is designed for medium- sized shipments when a full load is not justified. The service is ideal where cost is important and there is time to ship by surface.

## **Moving:**

We are experts in household and office moving.

We can pack and move your goods in town or anywhere in the world.

We care for your possessions like they were our own, giving you a worry- free moving.
